LEGAL ARGUMENT

The Trustee has filed an application to obtain the proceeds of Notes that are held by the Debtor or other entities. As shown in the Debtor's certification enclosed with this cross-motion, the income from these Notes represents his entire income, which is necessary to support the Debtor, his wife and two teenage daughters.

This bankruptcy petition was filed on March 6, 2012 as a Chapter 7 business bankruptcy. We have still not been able to obtain copies of two of the Notes; however, at this time, the Debtor wishes to dismiss his bankruptcy petition under 11 USC Section 707(b).

The creditors should not be prejudiced by this decision, as the bankruptcy has only been pending for a brief time, and they will return all of their rights once the automatic stay is lifted.

CHAPTER 7
CASE NO. 12-15709-DHS

HEARING DATE: May 2, 2012

DEBTOR'S CERTIFICATION IN SUPPORT OF MOTION

Nicholas Tarsia, of full age, hereby certifies:

1. I am the Debtor in the above-captioned Chapter 7 Bankruptcy. I make this Certification in support of this Cross-Motion to voluntarily dismiss my bankruptcy petition.

2. I have, in the past, been a successful businessman. However, in the last few years I have suffered a series of financial reversals that have ruined my businesses and left me with huge debts. My businesses have failed, I have lost a series of lawsuits that have resulted in large judgments entered against me, and I owe taxes to the Federal Government, the State of New York and the State of New Jersey.

3. I was compelled to file for bankruptcy protection on an emergent basis on March 6, 2012 after the State of New York put a lien on my bank account. Since that time I have attempted to comply with all of the trustees requirements for documents and

information; however, my financial situation is complex and I have been unable to locate several documents requested by the Trustee.

4. At the present time, I am not employed by any entity and I am not drawing any income from my businesses.

5. My sole income is derived from the following:

a. The Note from JONI Properties, LLC from which I receive \$5,203.33 per month in interest payments. This Note was based on a settlement of a lawsuit. This debt is not secured by a mortgage.

b. There is a Note from FGN, LLC and A&L Associates, LLC which is an entity controlled by my wife. She receives payments of \$2,064.00 per month from this Note. I am still trying to obtain a copy of this Note. This was payment for the sale of a luncheonette.

c. A Note from Bay State Properties originally for \$60,000.00 a private construction company in which I invested. I receive \$2,000.00 per month, which represents \$1,136.00 in principal and interest of \$864.00. I will supply a copy of this Note as soon as I can locate it. This was an unsecured loan.

6. I am currently living in an apartment in Totowa, New Jersey with my wife and our two daughters, ages 16 and 13. The only real estate I own, through

a corporation, is four commercial units, that have no equity due to the large mortgages encumbering them.

7. If the Trustee's Motion is granted, I will be left with no income whatsoever to support a family of four. I filed this bankruptcy due to the pressure from my creditors; however, if my entire income will be turned over, I cannot continue to seek bankruptcy petition as I will suffer extreme hardship. I will have to work with my creditors outside the bankruptcy to pay down all of my debts.

I certify the within matters are true. I know that if any of these statements are willfully false, I am subject to punishment.
